**RE: Notice of Ex Parte: *Improving Competitive Broadband Access to Multiple Tenant Environments*, Notice of Inquiry, GN Docket No. 17-142**

Dear Ms. Dortch:

On Wednesday, June 7, 2017, Mike Hagg, CEO, and Brent Groome, Chief Executive Marketing, Economic and Strategic Initiative, of Horry Telephone Cooperative (“HTC”) along with Clare Liedquist and the undersigned, as counsel, met with Commissioner Mignon Clyburn and Claude Aiken, Wireline Advisor to Commissioner Clyburn, of the Federal Communications Commission (“FCC” or “Commission”).

During the meeting, HTC discussed the release of the above captioned Notice of Inquiry. Mr. Groome and Mr. Hagg noted that originally, bulk-billing arrangements were utilized only for hotels and apartment buildings. Now, however, HTC has seen in Horry County, SC that its main competitor is using long term contracts with below market pricing combined with bulk-billing arrangements for single family communities as a means to stifle competition and to thwart the deployment of advanced broadband.

While HTC did not advocate specific positions raised in the Notice of Inquiry, we are filing this ex parte as a part of the record and out of an abundance of caution. Pursuant to Section 1.1206(b) of the Commission's Rules, we are filing this letter electronically in the above-captioned docket. Please contact the undersigned if you have any questions.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "D. L. Herman, Jr.", with a stylized flourish at the end.

*Counsel for HTC*
